

## CYBER CONNECT

Actionable next steps for transitioning government and military employees.

**Exclusive Employer Invitation!**

**Amplify your brand's leadership voice with The Cyber Guild**

**Thursday May 29th**  
**12:00 PM to 5:00 PM**

**Army Navy Country Club**  
**Arlington, VA**

Join us for **Cyber Connect**, a **FREE** networking event designed to connect mission-driven, transitioning government and military professionals with top cyber employers.

Perfect for organizations motivated to give back or talent scouting for roles such as cyber analysts and engineers, compliance specialists, project managers, and more!

This isn't a traditional job fair—it's a curated, **relationship building experience** featuring:

- Keynotes by:
  - **Bryan Ware**, previous Asst. Director, Cybersecurity Division, CISA
  - **Jennifer Ewbank**, previous Deputy Director of CIA for Digital Innovation
- Employee training workshops
- Enhanced networking opportunities
- Headshots, resume review, and more

### WHY JOIN AS AN EMPLOYER?

★ **Access Top-Tier Cyber Talent:** Meet individuals already vetted through years of public service, security-cleared professionals, and career changers.

★ **Engage Without Pressure:** No job openings? No problem. Just bring your curiosity and openness—we're here to connect, collaborate, and grow with the cyber community.

★ **Build Your Brand:** Boost your visibility with event marketing, on-site signage, and our signature "Meet & Greet" pop-up experience—designed to put your brand front and center.

★ **Support the Mission:** Be recognized as a supporter of building a more resilient cybersecurity workforce.

★ **Enjoy VIP Perks:** Exclusive invite to our *post-event Executive Happy Hour*.

**Want to support more?**

Donate what you can to fund this event OR keep reading to sign-up as a **sponsor**.
