

LEADERSHIP. INCLUSION. INNOVATION.

SPEAKER SUMMARY

UWIC '25 STATS

UWIC 25' BY THE NUMBERS

UWIC 25' BY THE WORDS

100% Valuable Content

100% of attendees said they'd recommend UWIC to others, and 99% of attendees rated the panels as valuable.

69% Women

69% of attendees identified as women, 23% as men, and 8% preferred not to say.

42% Senior Executives

42% of attendees identified as Senior Executives.

36% Diversity

17% of attendees identified as Black/African American, 11% as Asian/Pacific Islander, 4% as Hispanic/Latino, 1% as Native/Alaskan American, and 3% as an unlisted race/ethnicity.

39% Cyber Sector

39% of attendees work in cyber, and 34% in technology/IT.

28% Govt. Employees

11% of attendees identified as Active Duty Military or Veterans. 17% of attendees work in Government, and 22% have a security clearance.

Inclusive Community

"The energy in the room was contagious — **women from every corner of the cyber industry** coming together to connect, share stories, and discover new opportunities to lead and grow. Spaces like this remind us that **representation, collaboration, and community matter.**"

Educational Panels

"Thankful for this village, the conversations and the space at UWIC 2025 to **share industry knowledge, best practices and solutions** that will **transform** how we work together in years to come."

Meaningful Support

"Being surrounded by women leading in cybersecurity, policy, innovation, and tech reminded me how **powerful** it is to learn and grow in a community that **truly supports you.**"

Empowering Women

"I was so **inspired** by the incredible energy in the room, filled with **talented, driven women** (and supportive male allies!) all coming together with a **shared purpose.**"

Thank you to our sponsors, volunteers, and attendees who helped make UWIC 2025 a welcoming and inclusive event. Together, we can empower the future of cybersecurity through people.
